CODE OF ETHICS FOR VOLUNTEERS

As a volunteer, I realize that I am subject to a code of ethics similar to that which binds the professional in the field in which I work. I, like them, assume certain responsibilities and expect to account for what I do in terms of what is expected of me.

I understand that any information that is disclosed to me while assisting a hospice patient is confidential. I interpret “volunteer” to mean that I have agreed to work without compensation of money. Having been accepted as a volunteer worker, I expect to do my work according to the standards set forth in the Volunteer Policies and Procedures.

Declaration

I hereby certify that the statements made on this application are true and correct to the best of my knowledge.
